## Kazumi Morton

Colorist and founder of [Kazumi Morton](#)

"Get obsessed with coconut oil!! Slather it into wet or damp hair before you get into the pool and it will not only help hydrate hair, but protect it from chlorine. Also [works] before an intense workout — sweat can negatively affect the condition of your hair. Coconut oil will help you maintain beautiful, smooth hair and maintain your [hair color](#) for a little longer, too."
